

Woodcocks Well PTA Newsletter Spring 2015

Hello and welcome to our latest newsletter. Our aim is to keep parents informed about PTFA events, fundraising and general information. If you have any suggestions for future events or fundraising ideas please contact us at admin@woodcockswell.cheshire.sch.uk.

Termly PTA Meeting

Our next meeting will take place on the 13th April at school at 2.45pm.

How your money benefits the children

Red Class have asked for a visit from a travelling mini beast show as a wonderful addition to their topic.

Green Class will benefit from a new book area in their classroom.

Yellow Class have benefitted from a donation towards their Cadburys World trip to make it viable.

Blue Class have been reading their new National Geographic magazine subscription and have also had a high definition video camera.

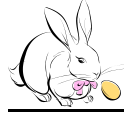

The PTA has continued to provide the teachers fund of £5 per child per term which covers a variety of purchases from baking ingredients to special craft items. This is valued by all involved as it allows for several extras that are not covered by the schools budget and makes for a more varied curriculum.
