School Bell

Dear Parents,

21st September 2017

I am delighted to inform you that the school bell has been fixed and is in good working order. We plan to follow the tradition of ringing it twice each morning. The first bell ring will be at 8:45am, which used to alert local children to start making their way to school , and the second bell ring will be at 8:55am to mark the start of lessons. Below are some pictures taken during the repair of the bell, which you might find interesting. If you or your relatives have any stories about the school bell in days gone by, we would love to hear them.

Yours sincerely,

Mrs Massen
