Dear Parents/Carers,

20.4.2020

I hope you all had a restful Easter break and were able to make the most of the beautiful weather? I would like to welcome you all back to our very first remote summer term!

I am sure you will join me in wishing Miss Booth all the very best during her maternity leave, which commenced today, and in welcoming Miss Adams who will continue working with the children and parents of Maple Class through to the end of this term. We are also very pleased to inform you that Miss Adams will be back in September; joining us as class teacher on a temporary one year contract.

We've all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing, supporting your child's wellbeing and learning during this time.

It has definitely been a strange and challenging time, so it is ok if you and your child feel wobbly and worried at the moment. We are here for you every step of the way as we figure this all out together. Remember, if you have any concerns about helping your child learn or you need any other support from the school, please let us know by either contacting your child's teacher using dojo or you are welcome to email me on [head@woodcockswell.cheshire.sch.uk](mailto:head@woodcockswell.cheshire.sch.uk).

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. So, we are carrying on with the home learning provision and childcare provision for Key Worker parents.

But just because we are not all in the same building, does not mean we cannot have some fun together! Your children will have lots of activities they can do over the summer term – so keep a close eye on the messages being sent out to you via dojo. We have also updated the home page of our website and you will find lots of useful additional information for you there. The link is <http://www.woodcockswell.cheshire.sch.uk/>

We also love seeing the children's fantastic learning at home – please continue sharing their work with your child's teacher as we would like to showcase it in due course.

We can't say yet when we'll be able to open the school fully, but rest assured that we will continue doing our utmost to keep your child learning and our school community connected.

Warm regards,

Julie Massen
