

Cool Milk

Each child in reception is registered with Cool Milk will receive a 189ml portion of semi-skimmed milk every day (until they reach their 5th birthday), delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused. For more information on how milk can benefit children visit www.coolmilk.com/why-milk-is-great
